25X1

Talked to Dr. [] in regard to our draft Progress Report for NSC 68/4. He will have this typed by Monday morning and after checking with Mr. Jackson, Reber will circulate it to the IAC Agencies.

Dr. Chadwell called and stated that a revised draft of the Atomic Paper had gone out to the Agencies last night. Minor changes in wording have brought about virtual agreement. CIA position has not been changed but there will be no dissent. Advised DCI of this.

25X1

Arranged for [] to speak at a G-2 conference at the Pentagon on Monday morning at 8:30.
